Custom Color: ✨ maintenance refresh ✨

Starts at \$245

For guests with existing dimensional color who return every 8–10 weeks.

This service refreshes brightness or depth where it shows most — typically around the part and hairline — to keep your color looking polished, intentional, and easy to grow out. This service is for blondes, brunettes, and redheads

Custom Color:

✦ ✦ Partial ✦ ✦

Starts at \$285

Best for guests who want a noticeable refresh, but do not need full head coverage. This service mostly refreshes the crown and sides of your dimensional color. Choose this service if it's been between 10 to 14 weeks since your last appointment and you want to refresh your **current** hair color. This option is available for blondes, brunettes and redheads.

Custom Color:

✦ Full ✦

Starts at \$330

For guests wanting significant brightness, major changes, or who have gone longer than four months between appointments. This service includes extensive lightening, customized placement, and gloss for shine in town. This service is for blondes, brunettes, and redheads. Please note this appointment is around 4 to 5 hours.

Gray coverage + gloss

Starts at \$185

For guests who get their grays covered and want the rest of their color refreshed at the same time. Covers new growth at the root and refreshes the ends so everything is shiny and polished again. There are no highlights or foils included in this service.

Global Bleach touch up

Starts at \$230

This service is for guests with solid, all-over bleached blonde hair maintained with on-scalp lightener. It is not a highlight service and not for dimensional blondes. Designed strictly for 4–5 weeks of regrowth to maintain an even, seamless blonde from scalp to ends. Includes precise scalp bleach application and a custom toner/gloss to refine tone and add shine. Consistent maintenance is required.

All over color (one shade)

Starts at \$235

A solid, one-shade color service from roots to ends using permanent hair color. This service is not a blonding or highlighting service and does not include lightener, foils, or dimensional color. Ideal for guests wanting uniform coverage, deepened tone, or gray coverage with a seamless, consistent result throughout the hair. This service is best for brunettes and redheads.
